Issues Resolved

- When processing Rental Exchange and selecting a new unit from the same group the Swapped field on the original unit was not be set to Yes. And on the new unit the Swapped field was being set to Yes when should have been No. Leading to the Rental End Billing Date to not be editable on the new unit line.

Known Issues

- When copying Rental Units that have Dimensions, the Dimensions are not copied to the new units.
- Visual Calendar Setup colors do not work correctly when using translations.

UPCOMING Releases – Planned Modifications and New Features

- Dispatch Functionality
- Quick Rental function from the Availability Matrix's providing the ability to create or add to a Rental Quote or Rental Contract
- Email document attachment(s)
